

1   **Q.     Please state your name and business address.**

2   A.     My name is Roland C. Martin; my business address is 1300 South Evergreen Park  
3           Drive SW, Olympia, Washington, 98504.

4   **Q.     By whom are you employed and in what capacity?**

5   A.     I am employed by the Washington Utilities and Transportation Commission (WUTC)  
6           as a Regulatory Consultant in the Electric Section.

7   **Q.     Would you please describe your educational background and professional  
8           experience?**

9   A.     I received a Bachelor of Science in Business Administration, major in marketing  
10           management, from the University of the Philippines in April, 1975. I am also a  
11           graduate of the University of Pangasinan where I received a Bachelor of Science in  
12           Commerce, major in accounting, in March, 1980. On an ongoing basis, I attend  
13           educational seminars on regulation and ratemaking.

14           I have been employed by the Washington Utilities and Transportation  
15           Commission since May, 1982. I have performed various phases of accounting and  
16           financial analysis of regulated utility and transportation companies both independently  
17           and jointly with other analysts, either as a lead or member of a team. During the  
18           course of my employment, I have been a Commission Staff witness in numerous  
19           formal contested proceedings before this Commission. Most recently, I was a Staff  
20           witness in consolidated Docket Nos. UE-991255, UE-991262, and UE-991409  
21           regarding the applications by Avista Corporation (Avista), Pacific Power & Light

1 Company (PacifiCorp), and Puget Sound Energy (PSE) to transfer their respective  
2 interests in the Centralia facilities. I was also a Staff witness in Docket No.  
3 UE-990267 regarding PSE's application to transfer its Colstrip facilities. I also  
4 presented testimony in Cause Nos. U-84-28, U-88-2380-T, and UG-900190  
5 concerning The Washington Water Power Company's (now Avista Corp.) filings for  
6 general rate increases. I also testified in Cause No. U-85-32 concerning the general  
7 rate increase filing of Continental Telephone Company of the Northwest, Inc. and in  
8 Cause No. U-86-02 regarding PacifiCorp's filing for a general rate increase. I have  
9 participated in a number of rate proceedings involving Puget Sound Power & Light  
10 Company (Puget) including the past energy cost adjustment clause (ECAC) filings, the  
11 general rate increase filing in Docket No. U-89-2688-T, the proceeding that dealt with  
12 Puget's cost recovery proposals in Docket Nos. UE-901183-T and UE-901184-P, the  
13 Periodic Rate Adjustment Mechanism (PRAM) implementation proceedings in Docket  
14 Nos. UE-910626, UE-920630, UE-940728, and UE-950618. I was the lead revenue  
15 requirement specialist in Puget's consolidated filings including a petition for  
16 accounting of residential exchange benefits, rate design case, and general rate change  
17 (Docket Nos. UE-920433, UE-920499, and UE-921262) and Puget's filing to transfer  
18 revenues from PRAM rates to general rates (Docket No. UE-951270). I was a member  
19 of the Staff team in the proceeding regarding the merger of Puget and Washington  
20 Natural Gas Company into PSE in Docket No. UE-960195.
